

The Mountain Devils Bushwalking & Social Club Inc.
COVID-19 Guidelines

Welcome to our activity today. It is our intention to make this activity safe, enjoyable and compliant with current COVID safe guidelines. Participation is at the discretion of the leader.

Please inform the activity leader if you:

Have recently travelled overseas, interstate or to a 'hotspot'

Have a cough, fever, sore throat, shortness of breath or are ill.

Have recently had contact with individuals who are ill

Have visited a venue where cases have been reported

Any other recent illness, accident or medical procedure which might otherwise limit your participation in this activity

Please note that wearing an appropriate face mask will be a requirement if public transport is required to complete this activity. Appropriate use of hand sanitiser is strongly encouraged. Additionally, please observe social distancing guidelines during the conduct of this activity.

If in doubt, request clarification from the group leader.

Thank you and enjoy your day.
